

## STATS ON YOUTH

The young people the team come into contact with.

- 70 - 90 in Mount Kelly
- 90 - 110 in 6th form, Tavistock College
- 30 - 40 in support groups at Tavistock College
- 40 in school's clubs
- 35 - 40 being mentor in Tavistock College
- 10 - 15 across the primary schools in Tavistock.
- 20 in Monday night group

In total the team comes into contact with 275 to 285 young people a week.

Term: December | Issue 2 | Term: October - December [ Published by Catalyst team.

## MENTORING

So far this year there have been lots of new referrals, most of these now have mentors or have joined the support groups. Due to the demand of support needed we can't take anymore mentees until we have recruited more mentors. However, we are running a drop in on a Wednesday to see anyone who may only need one or two sessions. Mentoring with 6th form on Tuesday mornings is going well with 3 to 4 students being supported every week. If anyone is interested in mentoring please contact Trudi

## IMPACT

Impact is going well with lots of young people enjoying and playing lots of different activities. A God slot and tuck shop happens each session.

## CATALYST YOUTH CLUB

Laura and Matt have been running a games club every Tuesday after school in Tavistock College.

## SIXTH FORM & FREE TEA FRIDAY

The Head of 6th Form said that the young people always enjoy it. We serve most of young people in six form every Friday break time and Free Tea continues to be a highlight of the week for many of them.

## MONDAY GROUP

Two groups run on a Monday Night, an older one and also a young one. We will once again be attending Soul Survivor next year and 30 people have already booked. At the moment the young people are going through lots of different sessions to help them grow in their faith and understanding of the Bible.

## PRIMARY SCHOOLS

Our fortnightly lunchtime club in Horrabridge is well attended every week. The year 5 and 6 pupils enjoy playing games and having fun. We will be running confirmation classes in St Peters in January and also a games club in Whitchurch Primary during the Summer term. We hope through these clubs more young people will know who we are, and how we can support them when they start Tavistock College.

## TAVISTOCK COLLEGE SUPPORT GROUPS

The support groups have started well, year 7s have all settled in well. We also run a year 8 and a year 9 support groups and have built up good relationships with those who attend. Many of the young people have commented that this group is their highlight of the week.

## MOUNT KELLY

Thirsty Thursday is running well, now in its 8th year, and we have built good relationships with many students who often stop and chat with us. Richard Bache has asked if we can run a games/CU at Mount Kelly Prep and this will start in January on the alternate Tuesday to Horrabridge games club.

## CHRISTIAN UNION

This is attended by young people who have got to know us through being in school and we have between 12 and 15 non-Christians attending each week. A few regulars now ask to read the Bible and say the prayers, which is really encouraging.
